

Regular Budget Assessment & Payments: 2011

The following table highlights payments made by all member states to the UN regular budget per month for 2011. The table also shows the payments made by the US to the regular budget and compares the amount owing by the US to the rest of the member states as a percentage.

Table Notes: Sums in \$US millions, rounded to the nearest million

Regular Budget Assessment & Payments (In US\$ Million)											
(in US\$ Million)											
UN Regular Budget for 2011 US \$2,415 Million											
All Member States Combined						United States					
Month Ending	Current Year Due	Prior Years Due	Total Due	Monthly Payments	Cumulative Payments	US Current Year Due	US Prior Years Due	US Total Due	US Monthly Payments	US Cumulative Payments	% of US Debt vs All Member States' Debt
31-Jan	2,137	345	2,482	0	0	583	278	861	0	0	35%
28-Feb	1,890	296	2,186	296	296	583	278	861	0	0	39%
