Re: Security Council reform – intermediate solution

Excellency, *Mr Tanin*

I have the honor to write to you with reference to your letter dated 5 February 2010, indicating that you would like to move towards transparent text-based negotiations as a next step.

In this regard, I have the pleasure to submit to you Liechtenstein's contribution to this process, namely elements for a General Assembly resolution based on the "intermediate" approach, as well as an explanatory memorandum.

Let me reiterate Liechtenstein's full support for your work and confidence in your guidance that will move the reform of the Security Council forward.

Please accept, Excellency, the assurances of my highest consideration.

W. Wenaweser

All best wishes

Christian Wenaweser
Ambassador, Permanent Representative

Enclosure

- Elements for a General Assembly resolution on the enlargement of the Security Council – intermediate model
- Explanatory Memorandum
